Quick Registration Guide

for Prescriber Users

Submit Account Request

Go to The Accredo Prescriber Website at

<https://prescribers.accredo.com>

1. Click on the **REGISTER NOW** link.
2. On the **REQUEST FOR REGISTRATION** screen, respond 'Yes' to the question, '**ARE YOU THE NPI OWNER?**'
3. Enter the following information:
 - Your **NPI NUMBER**
 - Your **EMAIL ADDRESS**
 - Your **OFFICE FAX NUMBER**
(that has most recently been used for your prescription requests)
4. Click the **Submit** button.

Confirm Fax & Email Address

5. Retrieve your registration security **PIN Number** from the fax sent to your office fax number.
6. Open the email '**Complete Your Registration Today**' sent to your registered email address, and click on the '**Complete my registration**' button.

Complete Account Registration

1. Enter your registration security **PIN Number** on The Accredo Prescriber Website Registration screen, and click on the '**Continue**' button.
2. Enter a unique username in the **CREATE A USERNAME** field—must be 6 to 14 characters.
3. Enter your desired password in the **CREATE A PASSWORD** field—must be 8 to 14 characters.
4. Reenter your password in the **CONFIRM NEW PASSWORD** field.
5. Read and agree to the **Terms of Use** and **Privacy** policies.
6. Click the **Submit** button to finish your registration.

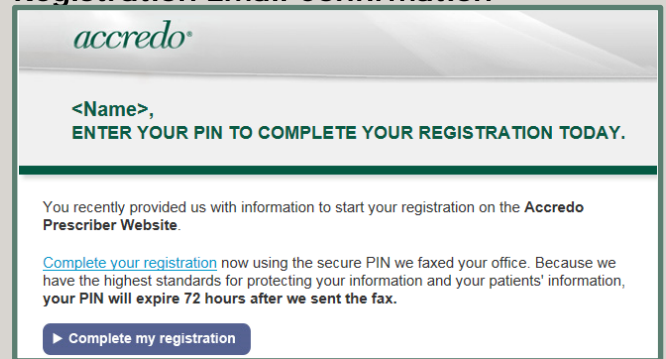

Your registration is now complete and you can log in at <https://prescribers.accredo.com>

The Accredo Prescriber Website

NOTE: Registration must be completed within 72 hours.

Registration Email Confirmation

Registration Screen

NOTE: On your first log in, you will need to define three (3) security questions and answers that will be used to reset your account if you later forget your user name or password.

This website is for licensed prescribers and their staff to check the status of submitted prescriptions and referral requests.
